## Assembly Instructions

### Step 1: Card Base

1. Cut Crumb Cake cardstock to 5 $\frac{1}{2}$ " x 8 $\frac{1}{2}$ ".
2. Score at 4 $\frac{1}{4}$ " on the long side and fold to create the card base.
3. Burnish the fold with a bone folder for a crisp edge.

### Step 2: Stamp and Die Cut the Botanicals

4. Using Crumb Cake ink and the Delicate Whispers stamp set, stamp the leaf spray image onto Basic White cardstock.
5. Run Mossy Meadow cardstock through the die cut machine using the Leaf Spray die. Set aside.
6. Run Crumb Cake cardstock through the die cut machine using the Spikes die. Cut two different dies to create two spikes.

### Step 3: Stamp and Color the Flower

7. Stamp the flower image from the Delicate Whispers stamp set onto the 1½" x 2" Basic White scrap using Crumb Cake ink.
8. Color the flower petals using Hydrangea Blue Stampin' Blends — apply the dark marker first, then layer the light marker while still wet for depth and dimension.
9. Color the leaves on the stamped leaf spray using Mossy Meadow Stampin' Blends — dark first, then light.
10. Once dry, run the stamped piece through the die cut machine using the flower die to cut it out.

#### **Step 4: Stamp the Sentiment**

11. Using Crumb Cake ink, stamp the "Thank you Kindly" sentiment and "Grass Spray" from the Delicate Whispers stamp set onto the Basic White 2¾" x 4" panel.

#### **Step 5: Layer the Card**

12. Adhere the Secret Sea 4" x 5¼" mat to the front of the Crumb Cake card base, centering with even margins.
13. Adhere the Delicate Dreams DSP 3⅞" x 5⅛" on top of the Secret Sea mat.
14. Adhere the Secret Sea 2⅞" x 4⅛" mat centered on top of the DSP, using dimensionals.
15. Adhere the Basic White 2¾" x 4" sentiment panel centered on top of the Secret Sea mat.

#### **Step 6: Build the Botanical Cluster**

1. Layer the Mossy Meadow Leaf Spray die cut in front of the stamped grass spray. Adhere with Stampin' Dimensionals.
2. Position the two Crumb Cake Spikes die cuts, fanning them slightly apart.
3. Place the Hydrangea Blue flower at the base of the cluster as the focal point. Adhere with Stampin' Dimensionals.

#### **Step 7: Add the Ribbon**

4. Cut 12" of Gray Granite Ribbon.
5. Tie into a bow and trim the tails at an angle.
6. Adhere the bow at the base of the botanical cluster using a glue dot.
